Laparoscopic Instruments

OneWish is one of the leaders and pioneers in the field of Endoscopic Instrumentation and Equipment. OneWish Health Care have been developed in close cooperation with leading surgeons. The entire line of our instruments is completely reusable, uncompromising in quality and durability, simple in operation and maintenance. Our up-to-date manufacturing process, combined with a long tradition in premium workmanship, yields instruments and equipment of the highest quality at the most competitive prices.

Functional Style of OneWish Laparoscopic Instrument

A	Rigid, Fixed Instrument with flush port
B	Rotatable, Fixed Instrument with flush port
C	Rotatable, Modular - Take-A-Part, 3-piece Instrument

To provide the ultimate in versatility in laparoscopic procedures, we offer our instruments in three different styles: A, B, and C (see details below) with three respective price levels, all available in two lengths. When ordering, add the letter of the style of instrument to the list number below

TAKE-A-PART, 3 Piece Instruments, Fully Reusable

OneWish Handles are made of stainless steel

OneWish Health Care Stainless Steel Handles are available for all three functional styles of Laparoscopic Instruments
